**BONFIRE, BARBECUE  
& BENEFITS**

## Dear Friends!

It's hard to believe what we've accomplished in just two short years since our last **B3 Bash**. Following groundbreaking, we worked through construction, completed all buildings, had possible future residents apply, conducted their reviews, have filled all available rooms, and welcomed 60 residents to a new life and lifestyle. We couldn't be prouder and know that so much of our successes have come from our past supporters that recognized the need and contributed financially and those who have given so much of their time personally and professionally.

We're having our next **B3 Bash** at Independence Landing. Those that have not seen what we've accomplished together will have the opportunity to tour the complex. We also want our residents to share a few of their stories, there are so many, since move-in. Please join us on Thursday, January 30, from 6:00 to 9:00 pm for our Bonfire and Barbecue, all Benefiting Independence Landing.

As Independence Landing thrives, we're committed to ensuring its long-term stability and success. As in past **B3 Bash**, we're reaching out to our friends, neighbors, and community for support as we prepare for this year's **B3 Bash**! Your sponsorship will play a vital role in helping us cover the costs the ongoing operational expenses of Independence Landing. Together, we can create a lasting impact for our community.

Attached is a list of sponsorship opportunities, along with the donation form. Please feel free to contact any of us directly with questions or concerns. And as always, thank you and we'll see you there.
